110 Welcome to the The Exotic Hairy Pickle Store!CRLF
111 -----CRLF
112 Browse through our collection of games and purchase as many games as
    you want. When you purchase a game, the game will be sent to your
    house by the slowest means possible. Do note that the game you
    purchase is mere copies of the game, thus it is a non-genuine copy
    of the game. Because of that, we charge extra for the activation
    or authentication keys. In addition, there is no refunds if any
    game CD's and/or floppies are damaged during shipping.CRLF
113 -----CRLF
114 See what others are saying about us!CRLF
115 Reviewer from NY Times: Stay clear from this store! I ordered a game
    from there and the experience was totally crappy! The game took
    three months to arrive in the mail and the company is merely two
    __BLOCKS__ away from my house! The CD I ordered was badly scratch
    - but magically my computer could still read it just fine. But
    what caught me off guard, I need an Activation Key in order to
    play my game! I called the company furiously over the phone, but
    the representatives promptly laughed at me while saying "SUCKER"!
    Seriously, STAY_AWAY_FROM_THIS_STORE!CRLF
